THE 2020 NZCYA FINALISTS ARE HERE!

Kia ora tamariki mā! The finalists for the 2020 New Zealand Book Awards for Children and Young Adults have been announced. These are the very best books published for young readers this year and we want you to get excited about them!

We've made this book of fun activities to help you discover more about some of the finalist books, and to learn some cool, new things along the way! We know life is a little different this year, but you can do these activities by yourself at home or with a friend, and even make up your own activities for some of the other finalist books.

HELL Pizza is celebrating these awesome books too. If you love pizza and great books, just like us, then you need to collect a pizza wheel to start reading your way to FREE pizza. Check out the HELL Reading Challenge page on the back cover of this booklet, or ask your local public or school library how you can get involved.

Remember to check out what is happening at your local library over the mid-year school holidays. And have fun reading!

Thanks to the team from the National Library of New Zealand Services to Schools who worked together to create the activities in this book.
